

# Solution Architect

## Fulltime Zurich

### About Us

B3i is a growing and dynamic business operating in the global insurance market. We are at the forefront of bringing real innovation into the industry through Blockchain solutions which we believe will transform the industry.

Our vision is simply to make insurance more relevant, accessible and affordable. We have a flat management structure with a start-up mentality and are very ambitious; we want determined and enthusiastic people to share our vision and join us on this journey of innovation.

### What you will do:

Work closely with:

- Our Product Owners
- Chief Architect
- Engineering teams

To design and test architectures for B3i Distributed Ledger Technology network services and products.

### What we offer

B3i offers a competitive Salary plus Bonus including flexible working time and location, no limited holidays, gym membership, sabbatical programme. You will work with a great bunch of people who are really making history in central Zurich.

To apply for a job please send your CV and a covering note or short digital video/ audio clip to [jobs@b3i.tech](mailto:jobs@b3i.tech).

### What you will bring on a professional level:

- 7 years IT delivery experience including 4 years as a developer
- 2 years solution architect experience
- Experience of n-tier architectures
- Integration architecture experience, preferably working with ESB / EAI / IPaaS / API management tools
- OO and /or Data modelling experience using UML / OMT or similar
- Deep understanding of OO
- OO language development experience, preferably Java
- Excellent spoken and written English
- Excellent communication and team working skills
- Highly proactive with the ability to work unsupervised

### and on a personal level

- A sense of humour will help especially when the going gets tough
- Some grit, resilience and persistence - changing the Insurance industry is not easy

### Disclaimer

#### Notice for recruitment agencies

B3i does not accept speculative CVs. We will only review CVs sent with an application for an advertised post. Any unsolicited CVs received will be treated as the property of B3i Services AG and Terms & Conditions associated with the use of such CVs will be considered null and void.
