

Corporate Lawyer

Fulltime Zurich

About Us

B3i is a growing and dynamic business operating in the global insurance market. We are at the forefront of bringing real innovation into the industry through Blockchain solutions which we believe will transform the industry.

Our vision is simply to **make insurance more relevant, accessible and affordable**. We have a flat management structure with a start-up mentality and are very ambitious; we want determined and enthusiastic people to share our vision and join us on this journey of innovation.

What you will bring on a professional level

- You have an entrepreneurial spirit and delivery driven mindset
- You like legal challenges that come along with building a disruptive business
- You have the ability to translate legal matters, exercise proper judgement, support negotiations and make legal issues accessible and understandable for non-lawyers
- You are technological affine with a broad understanding of the B3i business model, Blockchain and smart contracts
- You have a bachelor from a top accredited law school and exceptional academic credentials
- You speak and write English proficiently
- You have at least 2 years of professional experience in a law firm

What we offer

B3i offers a competitive Salary plus Bonus including flexible working time and location, no limited holidays, gym membership, sabbatical programme. You will work with a great bunch of people who are really making history in central Zurich.

To apply for a job please send your CV and a covering note or short digital video/ audio clip to jobs@b3i.tech.

Disclaimer

Notice for recruitment agencies

B3i does not accept speculative CVs. We will only review CVs sent with an application for an advertised post. Any unsolicited CVs received will be treated as the property of B3i Services AG and Terms & Conditions associated with the use of such CVs will be considered null and void.

What You Will Do

- Protect legal obligations and rights of the firm in particular in contracting with business partners, reporting to the company's General Counsel
- Reviewing, drafting and negotiating a wide variety of commercial contracts, including services agreements, non-disclosure agreements, software licensing agreements, marketing material, vendor agreements
- Assist with corporate, intellectual property, data protection, litigation, employment, taxation and other legal matters as required
- Legal management of the on-boarding process platform participants and clients in general

and on a personal level

- Share your knowledge, insight and learning openly
- Open to feedback and challenges from the team
- Curious to learn new skills
