

# UX Designer

## Fulltime Zurich

### About Us

B3i is a growing and dynamic business operating in the global insurance market. We are at the forefront of bringing real innovation into the industry through Blockchain solutions which we believe will transform the industry.

Our vision is simply to **make insurance more relevant, accessible and affordable**. We have a flat management structure with a start-up mentality and are very ambitious; we want determined and enthusiastic people to share our vision and join us on this journey of innovation.

### What you will bring on a professional level

- Proven track record of efficient User Experience Design
- Advanced understanding of the Financial Industry, B2B marketplace and / or e-commerce
- Experience with working in innovative product design and agile software delivery
- Work with end users on design and requirements and participate in UI testing
- Knowledge of design tools and web application design

### What we offer

B3i offers a competitive Salary plus Bonus including flexible working time and location, no limited holidays, gym membership, sabbatical programme. You will work with a great bunch of people who are really making history in central Zurich.

To apply for a job please send your CV and a covering note or short digital video/ audio clip to [jobs@b3i.tech](mailto:jobs@b3i.tech).

### What You Will Do

- Responsibility for the look and feel of the B3i distributed ledger products
- As integral part of the UI development team, support the Product Owner with the creation of user-friendly applications
- Track usability goals and prepare reports for key stakeholders
- Work in close collaboration with the industry leading experts in DLT, functional design and Re-Insurance

### and on a personal level

- Share your knowledge, insight and learning openly
- Open to feedback and challenges from the team
- Curious to learn new skills

### Disclaimer

#### Notice for recruitment agencies

B3i does not accept speculative CVs. We will only review CVs sent with an application for an advertised post. Any unsolicited CVs received will be treated as the property of B3i Services AG and Terms & Conditions associated with the use of such CVs will be considered null and void.
